## Update on 2011 Exhibition

With just over two months to the 2011 bentART exhibition, it's time to put the dates into your calendar. The exhibition **opening night is on Friday the 10th June** and runs over the Queen's birthday long weekend until Monday 13th June. The exhibition will again be held at the **Wentworth Falls School of Arts , 217-219 GWH Wentworth Falls**, which we found to be a very popular and successful venue last year.

**Opening hours are Fri 6.30 - 9PM; Sat 10 - 5PM  
Sun 10 - 5PM and Mon 10 - 4PM**

In anticipation that bentART 2011 will be bigger and better than ever the committee have decided to have the prizes awarded by an expert panel of judges rather than just one judge. The judges will be a gallery owner, artist and academic.

**Curation of the exhibition** will be undertaken by **Sophie Seeger** and **Jane Canfield**. Sophie, an artist herself, has considerable experience in gallery management and curation. Jane is an artist who works across a range of media and has strong exhibition experience. We are fortunate to have curators with such a combination of skill. Sincere thanks to Sophie and Jane for again donating their time and expertise.

This year entrants and attendees will notice a huge improvement regarding the display of artworks. Professional display stands and lighting will be hired to enable us to represent artist's work in the best possible way.

Finally, opening night is always a lot of fun. It is a great opportunity to catch up with friends as well as see some wonderful artwork by the GLBT community. This year the wine will flow thanks to the generosity of Rolling Wines from Orange and delicious food will be provided by the catering services of Richard Moon.

For all artists this year, there is good news concerning entries. Due to the generous support of our sponsors the **prize money is now \$5900**.

# Sponsorship Update

## Platinum

Many thanks to our platinum sponsors this year. bentART has received wonderful community support from local and regional organisations.

The Alex is a most unusual combination of casual and old Leura dining. Amidst pool tables and rock & roll, the bar serves up whopping burgers and fries. In the original and more formal dining room looking out across Jamison Valley, a spicy Thai Beef Salad and other international dishes are featured on the menu.

This is a great spot for friends to meet for a meal and drink and enjoy the outdoor patio overlooking Leura. Reasonable cost accommodation is also available.

The Alex Hotel in Leura has a history of support to the gay community. It has hosted regular GLBT Friday evening drinks and dinners for some years now.
